Haider to press (again) for the Government of Pakistan (GOP) to participate in the June Senior Level Meeting on the Proliferation Security Initiative (PSI) in Warsaw (Ref B). The Polish AMB offered a detailed description of the history and goals of PSI. After noting that "observer" status at the Warsaw meeting is not/not an option, Ambassador and the British High Commissioner explained that the U.S. and UK are seeking the GOP's commitment to PSI principals, not to any particular path of implementation. The Additional Secretary responded that the GOP is committed to non-proliferation. It already has legislation for interdiction in its territorial waters, and it is now commanding CTF-150, which has both a counterterrorism and non-proliferation mission. Haider concluded by saying that Pakistan prefers international agreements reached through UN processes. If the GOP cannot go to the Warsaw meeting as observers, it will not attend, but will remain actively engaged on non-proliferation in other fora.
